Over a hundred and twenty years ago, we recognized the need for a vehicle that could take on heavy loads and not back down from any job. The result? Mercedes-Benz invented the van. That first van paved the way for an entirely new segment and set the standard for others to follow. While our latest Sprinter and Metris Vans continue to raise the bar for innovation and technology, they still hold true to our core values: to create vans that deliver an extraordinary level of safety, performance, and cost efficiency to every owner.

Over 120 Years of Van Innovation

1896 Benz company invents the automobile. Introduce a “combination delivery vehicle.”

1929 Mercedes-Benz introduces the large-capacity van, L 1000 Express van.

1955 Mercedes-Benz introduces a new light van, internally called the T 19.

1967 Mercedes-Benz introduces the T 100 and replaces the light truck segment.

1977 Mercedes-Benz launches a new light van, internally called the T 6.

1986 Mercedes-Benz presents a new van concept, internally called the T 8.

1995 The first-generation Sprinter Van becomes a favorite and wins “International Van of the Year.”

2006 The second-generation Sprinter enters the European market.

2010 The Sprinter Black Van enters the U.S. market.

2015 The mid-size Mercedes-Benz Metris enters the U.S. market.

2010 Mercedes-Benz Vans Come to the U.S.

2018 The Sprinter brings an entirely new concept to the large van segment.

2018 A longer wheelbase option for the Sprinter Cargo Van enters the U.S. market.

2018 WE INVENTED HARD CORE

When it comes to working efficiently, the right size for the job works better. From wheelbase length options in the Cargo Van to seating configurations in the Passenger Van, Metris is built to meet your specific needs. And with B2B connectivity, you can seamlessly connect the Metris to the digital world.

Factor in standard safety features like Crosswind Assist, Load Adaptive Electronic Stability Program (ESP®), and ATTENTION ASSIST®3, and you have what it takes to measure your success not by size, but by jobs completed.

**METRIS CARGO 126” WB**
- 2 Wheelbases
- 1 Roof Height
- 13 Available Paints
- Seating Capacity: Up to 2
- Maximum Payload: Up to 2,668 lbs.
- Cargo Volume: (Up to 199 cu. ft.)

**METRIS CARGO 135” WB**

**METRIS PASSENGER 126” WB**
- 1 Wheelbase
- 1 Roof Height
- 14 Available Paints
- Seating Capacity: Up to 8
- Maximum Payload: Up to 2,150 lbs.
- Cargo Volume: (Up to 37.4 cu. ft.)

When it comes to working efficiently, the right size for the job works better. From wheelbase length options in the Cargo Van to seating configurations in the Passenger Van, Metris is built to meet your specific needs. And with B2B connectivity, you can seamlessly connect the Metris to the digital world. Factor in standard safety features like Crosswind Assist, Load Adaptive Electronic Stability Program (ESP®), and ATTENTION ASSIST® and you have what it takes to measure your success not by size, but by jobs completed.
We thought about safety, so you can think about work.

Getting the job done is about staying focused. Our groundbreaking safety innovations deliver an extra level of protection for your cargo and passengers, and give you one less thing to think about.

Standard on all Metris Vans, Crosswind Assist1 can help you stabilize your van in gusting crosswinds, while standard front, thorax, and window airbags4 help keep you protected. Plus, we’re the only van in the segment featuring standard Load-Adaptive Electronic Stability Program (ESP®)2, ATTENTION ASSIST®3, and Headlamp Assist. Factor in available Blind Spot Assist, Lane Keeping Assist4, Active Brake Assist, and Active Distance Assist DISTRONIC®9, and it will be easy to keep your mind on the job knowing that your van is helping you stay safe.

**STANDARD HIGHLIGHTS**

- **Crosswind Assist1**
  Crosswind Assist helps you stabilize your van and boosts safety in strong, gusting crosswinds. It helps you ensure that your vehicle remains in its lane at highway speeds.

- **Load-Adaptive Electronic Stability Program (ESP®)2**
  This dynamic handling system actively intervenes to help keep your vehicle firmly under control and safety automatically braking individual wheels and reducing engine power to help stabilize the vehicle if oversteer, understeer, or wheelspin is detected.

- **Attention Assist®3**
  Attention Assist helps prevent drowsy driving by monitoring your driving patterns and providing an early warning in case fatigue is detected.

- **Headlamp Assist**
  Automatic Headlamp Assist is a driving aid and convenience system, which switches on the exterior lighting when the light sensor detects low ambient light levels and off when detected light levels are high.

- **Load-Adaptive Electronic Stability Program (ESP®)2**
  This dynamic handling system actively intervenes to help keep your vehicle firmly under control and safety automatically braking individual wheels and reducing engine power to help stabilize the vehicle if oversteer, understeer, or wheelspin is detected.

- **Rearview Camera**
  The visual parking aid is activated when the Reverse gear is selected, giving you a view of what’s going on behind you as well as providing overlays with which to guide you.

- **Blind Spot Assist**
  The driver and passenger front, thorax, and window airbags4 help protect you and your passengers in the event of a collision. Passenger vans are also equipped with rear curtain airbags.

- **Rescue Assist**15
  With Rescue Assist, first responders to an accident can scan a QR code in a Mercedes-Benz Van to quickly see where batteries, airbags, and other structural elements are located in order to safely perform the rescue.

**OPTIONAL HIGHLIGHTS**

- **Active Brake Assist7**
  Active Brake Assist is a driving aid and convenience system, which automatically applies pressure to the brake system to help bring your vehicle to a complete stop when you're involved in a collision.

- **Active Distance Assist DISTRONIC®9**
  Upon activation, this intelligent cruise control system can sense traffic conditions and actively control your speed to help keep a safe distance.

- **Driver and Passenger Airbags**4
  The driver and passenger front, thorax, and window airbags4 help keep you protected. They’re standard in all Metris Vans. Passenger vans are also equipped with rear curtain airbags.

- **Lane Keeping Assist6**
  Lane Keeping Assist can provide you with visual and audible warnings if you begin to leave your lane.

- **Active Distance Assist DISTRONIC®9**
  Upon activation, this intelligent cruise control system can sense traffic conditions and actively control your speed to help keep a safe distance.

- **Driver and Passenger Airbags**4
  The driver and passenger front, thorax, and window airbags4 help keep you protected. They’re standard in all Metris Vans. Passenger vans are also equipped with rear curtain airbags.

- **Lane Keeping Assist6**
  Lane Keeping Assist can provide you with visual and audible warnings if you begin to leave your lane.

- **Active Distance Assist DISTRONIC®9**
  Upon activation, this intelligent cruise control system can sense traffic conditions and actively control your speed to help keep a safe distance.

- **Driver and Passenger Airbags**4
  The driver and passenger front, thorax, and window airbags4 help keep you protected. They’re standard in all Metris Vans. Passenger vans are also equipped with rear curtain airbags.

- **Lane Keeping Assist6**
  Lane Keeping Assist can provide you with visual and audible warnings if you begin to leave your lane.

- **Active Distance Assist DISTRONIC®9**
  Upon activation, this intelligent cruise control system can sense traffic conditions and actively control your speed to help keep a safe distance.

- **Driver and Passenger Airbags**4
  The driver and passenger front, thorax, and window airbags4 help keep you protected. They’re standard in all Metris Vans. Passenger vans are also equipped with rear curtain airbags.

- **Lane Keeping Assist6**
  Lane Keeping Assist can provide you with visual and audible warnings if you begin to leave your lane.

- **Active Distance Assist DISTRONIC®9**
  Upon activation, this intelligent cruise control system can sense traffic conditions and actively control your speed to help keep a safe distance.

- **Driver and Passenger Airbags**4
  The driver and passenger front, thorax, and window airbags4 help keep you protected. They’re standard in all Metris Vans. Passenger vans are also equipped with rear curtain airbags.

- **Lane Keeping Assist6**
  Lane Keeping Assist can provide you with visual and audible warnings if you begin to leave your lane.

- **Active Distance Assist DISTRONIC®9**
  Upon activation, this intelligent cruise control system can sense traffic conditions and actively control your speed to help keep a safe distance.

- **Driver and Passenger Airbags**4
  The driver and passenger front, thorax, and window airbags4 help keep you protected. They’re standard in all Metris Vans. Passenger vans are also equipped with rear curtain airbags.

- **Lane Keeping Assist6**
  Lane Keeping Assist can provide you with visual and audible warnings if you begin to leave your lane.

- **Active Distance Assist DISTRONIC®9**
  Upon activation, this intelligent cruise control system can sense traffic conditions and actively control your speed to help keep a safe distance.

- **Driver and Passenger Airbags**4
  The driver and passenger front, thorax, and window airbags4 help keep you protected. They’re standard in all Metris Vans. Passenger vans are also equipped with rear curtain airbags.

- **Lane Keeping Assist6**
  Lane Keeping Assist can provide you with visual and audible warnings if you begin to leave your lane.

- **Active Distance Assist DISTRONIC®9**
  Upon activation, this intelligent cruise control system can sense traffic conditions and actively control your speed to help keep a safe distance.

- **Driver and Passenger Airbags**4
  The driver and passenger front, thorax, and window airbags4 help keep you protected. They’re standard in all Metris Vans. Passenger vans are also equipped with rear curtain airbags.

- **Lane Keeping Assist6**
  Lane Keeping Assist can provide you with visual and audible warnings if you begin to leave your lane.

- **Active Distance Assist DISTRONIC®9**
  Upon activation, this intelligent cruise control system can sense traffic conditions and actively control your speed to help keep a safe distance.

- **Driver and Passenger Airbags**4

- **Lane Keeping Assist6**
  Lane Keeping Assist can provide you with visual and audible warnings if you begin to leave your lane.
Sophisticated technology. Old-school grunt.

All the cargo volume in the world doesn’t mean a thing if your van can only crawl under the weight of a heavy load. The Metris drivetrain is specifically designed to accelerate under these conditions—and save you money along the way.

The Metris is equipped with a 2.0L 4-cylinder turbocharged gasoline engine that produces substantial torque at low rpms. The combination of high torque and horsepower provides impressive performance throughout the operating range.

**PERFORMANCE**

**2.0L 4-CYLINDER TURBOCHARGED DIRECT INJECTION GASOLINE ENGINE WITH 9G-TRONIC, 9-SPEED AUTOMATIC TRANSMISSION**

Turbocharged Direct Injection gasoline engine with fast-acting Piezo injectors.

- **Displacement:** 1,991 cc
- **208 hp @ 5,500 rpm**
- **Rated torque:** 258 lb-ft @ 1,250–4,000 rpm
- **Tank capacity:** 18.49 gallons
- **Battery:** 12V/92Ah
- **Alternator efficiency management**

Estimated combined EPA rating: 21 mpg (Cargo), 19 mpg (Passenger)*

*The Metris is quiet and feels competent around town and on the freeway, accelerating easily in and out of traffic."

— Los Angeles Times
We’re in business to help your business.

Minimizing downtime is crucial for your business. With its award-winning residual value, the Metris keeps your total cost of operation low and your productivity high. If you spend less time and money on maintenance and more time on the road, your whole company will run more smoothly.

MERCEDES-BENZ METRIS

Efficient Gasoline Engine
A 208 hp 2.0L 4-cylinder turbocharged Direct Injection gasoline engine gets you up and running quickly. At an estimated combined EPA rating of 21 mpg for Cargo and 19 mpg for Passenger models,** the mid-size Metris offers fuel consumption comparable to that of a small-size van.

9G-TRONIC, 9-Speed Automatic Transmission
Refined for maximum efficiency and unmatched comfort, this quick-shifting 9-speed automatic transmission delivers better fuel economy,** reduced noise, and longer service life.

Up to a 15,000-Mile Service Interval!**
With an impressive service interval of up to 15,000 miles,** your van will spend less time in the shop and more time on the job.

COST EFFICIENCY

Metris is the winner of the 2018 ALG Residual Value Award.
ONLY THE **METRIS** STACKS UP.

**METRIS LWB VS. FORD TRANSIT CONNECT LWB**

**THE METRIS**
- **21.4 IN. LONGER**
- **3.2 IN. TALLER**
- **HOLDS 1,062 LBS. MORE CARGO**
- **HAS 71.6 CU. FT. MORE CARGO VOLUME**

**MAXIMUM PAYLOAD**
- **METRIS LWB** 2,612 LBS.
- **FORD TRANSIT CONNECT LWB** 1,550 LBS. (~40%)  

**MAXIMUM CARGO VOLUME**
- **METRIS LWB** 199 CU. FT.
- **FORD TRANSIT CONNECT LWB** 127.4 CU. FT. (~36%)  

**MAXIMUM TOWING CAPACITY**
- **METRIS LWB** 5,000 LBS.
- **FORD TRANSIT CONNECT LWB** 2,000 LBS. (~60%)

---

*Based on publicly available vehicle specifications for the 2020 Ford Transit Connect LWB available at time of printing. Maximum payload varies with vehicle accessories installed.*
No wasted space. Wasted space is wasted money. That’s why virtually every inch of cargo space in the Metris Cargo Van is usable. It’s all about making smart use of what you have—and having the right size with which to work. With a Best-in-Class turning diameter* and a powerful, cost-efficient drivetrain, the Metris doesn’t waste any effort getting to the job. You’ll feel safe along the way with advanced features like Crosswind Assist, Load-Adaptive Electronic Stability Program (ESP®) and ATTENTION ASSIST.® When you need to get more out of your cargo van, choose the one that delivers efficiency, along with a low total cost of operation and a Best-in-Class payload cargo capacity.*

Two wheelbases, more possibilities.
The Metris lets you choose the size you need by offering two wheelbase lengths. The standard length gives you 183 cu. ft. of cargo volume, while the long wheelbase option adds 9” of cargo length and 16 cu. ft. of volume, giving you even more hauling opportunities with a total of 199 cu. ft.

THE RIGHT SIZE
With its superior payload, the mid-size Metris can handle heavier jobs that compact vans just can’t fit in industrial and home garages.

186 CU.FT.

A half-meter is all it takes to add 12 cu. ft. of cargo volume, giving the long wheelbase Metris 199 cu. ft., plus a 9” increase in cargo length.

183 CU.FT.

199 CUBIC FEET OF CARGO VOLUME
If you’re looking for more space, the Metris long wheelbase offers 120.5” of cargo length. That’s spacious enough to stow over 60 sheets of 4’ x 8’ drywall with room to spare.

REAR DOOR OPTIONS
Choose between standard 270° opening rear doors, 180° rear doors, or an optional flip-up tailgate.

MAXIMUM PAYLOAD:
2,668 lbs. (std. wb)
2,612 lbs. (long wb)

CARGO LENGTH (with factory partition):
111.5” (std. wb)
120.5” (long wb)

CARGO VOLUME:
183 cu. ft. (std. wb)
199 cu. ft. (long wb)

GVWR:
6,393 lbs. (standard on std. and long wb)
6,834 lbs. (optional on std. and long wb)

TURNING DIAMETER (curb-to-curb):
36.4’ (std. wb)
38.7’ (long wb)

MAXIMUM TOWING CAPACITY:
5,000 lbs.

ENGINE:
2.0L 4-cylinder turbocharged Direct Injection gasoline

METRIS PASSENGER

Driver and passenger front airbags, driver and front passenger side thorax airbags, and window curtain airbags throughout help protect every occupant.

ELECTRIC SLIDING DOORS (OPTIONAL)
Open or close the sliding door with the push of a button, for extra convenience.

SEATING CAPACITY
With three available seating configurations, you can carry up to eight people. 39.6” of headroom and plenty of legroom assure that your passengers won’t just get there — they’ll get there comfortably.

Treat passengers like you’re one of them.
Whether you’re riding or driving, it’s all about how you feel in the vehicle. Take the Metris Passenger Van. It’s just the right size to seat up to eight people comfortably and gives you the flexibility of three seating configurations. Add in optional features like electric sliding doors, and your passengers will have even more reasons to enjoy their journey — and you’ll certainly enjoy the low cost of operation. Our groundbreaking safety innovations deliver an extra level of protection for you and your passengers, giving you one less thing to think about. Put your passengers first with the Metris Passenger Van.

Stay connected wherever you go with the Metris’s multitude of sophisticated infotainment options, including USB ports, Apple CarPlay®/Android™ Auto, and SiriusXM® Satellite Radio. All controlled by a cutting-edge, easy-to-operate 7” touchscreen that’s well within your reach.

**7” TOUCHSCREEN DISPLAY**

7” touchscreen with Gorilla Glass, anti-glare, and an 800x480-pixel resolution standard on all models.

**INFOTAINMENT FEATURES**

**SATellite RADIO**
The radio has two receivers. One for analog AM/FM reception and one for SiriusXM® Satellite Radio. The radio can be operated via the buttons on the optional multifunctional steering wheel.

**HEAD UNIT WITH NAVIGATION (OPT.)**
Same as the standard head unit but comes with an additional navigation system, voice command, and the capability of Live Traffic when properly equipped. For Communication Module (LTE) connectivity services, a built-in SIM card is required for a fast and reliable LTE internet connection used for the Emergency Call System.

**APPLE CARPLAY® / ANDROID™ AUTO**
The radio supports Apple CarPlay® or Android™ Auto, connected via USB cable. Mobile phones can be started with the voice command “Hey Siri” or “OK Google.” The voice control can be activated directly with a button on the radio or with the optionally available multifunction steering wheel.

**BLUETOOTH®**
Bluetooth® connects to all your mobile devices and allows for a convenient hands-free driving experience.

**USB PORTS**
Two USB ports allow for connecting of external media devices, such as USB sticks or mobile phones, to the radio. The media content on the external device can be played once it is connected and the right source chosen in the radio menu.
**BENEFITS AT A GLANCE:**

- Mercedes me connect™ provides a quick snapshot of your mileage, fuel level, tire pressure, fluids, and more. Plus, you can see your vehicle’s location, and lock or unlock the doors at the touch of a button.
- Enjoy maintenance and support with a personal touch. From maintaining your vehicle to receiving help in the event of an accident, Mercedes me connect™ can help provide an additional layer of comfort and safety.
- The Mercedes me connect app™ provides an overview of your vehicle by housing your remote access services. Download the app today and take full advantage of your Mercedes me connect™ services. Available on Android, iOS, and Apple Watch.

**FOR THE BUSINESS OWNER**
- Integrate your vehicle data into fleet management systems
- Pinpoint the location of your vehicle
- Increase overall business efficiency
- Monitor your vehicle data effectively
- Effective assistance in case of an emergency

**FOR THE DRIVER**
- The driver can easily access valuable vehicle-related information
- Remote lock-unlock feature makes work more efficient
- Monitor your vehicle data effectively
- B2B connectivity provides a comprehensive overview of your vehicle – by simplifying logistics and increasing productivity
- Remotely lock and unlock the van via the app™, without the need for keys – making work more convenient

**CONNECTIVITY SOLUTIONS FOR YOUR VEHICLE™:**

**MERCEDES ME CONNECT APP™**
- The direct line to the driver
- Mercedes me connect™ provides a quick snapshot of your mileage, fuel level, tire pressure, fluids, and more. Plus, you can see your vehicle’s location, and lock or unlock the doors at the touch of a button.
- Enjoy maintenance and support with a personal touch. From maintaining your vehicle to receiving help in the event of an accident, Mercedes me connect™ can help provide an additional layer of comfort and safety.
- The Mercedes me connect app™ provides an overview of your vehicle by housing your remote access services. Download the app today and take full advantage of your Mercedes me connect™ services. Available on Android, iOS, and Apple Watch.

**INTERFACES TO MANAGE YOUR VEHICLES REMOTELY:**
- B2B connectivity provides a comprehensive overview of your vehicle – by simplifying logistics and increasing productivity

**COMMUNICATION MODULE™**
- optional in every new Metris

This is the central point of contact that ensures the broadest range of connectivity, quickly transmitting data with the installed 4G LTE SIM card.

**B2B CONNECTIVITY**

Available on the Metris, our B2B connectivity solutions work harder to make your job easier — intelligently connecting drivers and vehicles to increase the efficiency of your business in the long run.

For more information, visit our website at https://www.mbusa.com/en/mercedes-me-connect
If you can imagine it, we can make it happen.

You have a concept in mind — let a Mercedes-Benz Vans ExpertUpfitter build it for you. Our job is to customize a van that is ready to fit your ultimate upfitting needs. The “right size” concept of the Metris is a blank canvas on which you can create a design to meet your specific needs. Whether it’s a simple work van interior, a refrigerated farm-to-table van, a wheelchair-accessible van, or the Metris Getaway, an iconic pop-up camper that combines adventurous spirit with the ease and use of an everyday people-mover. Whichever you choose, Mercedes-Benz Vans will make you mobile and take your business to new places.

Qualified Upfitters adhere to the Upfitting Guidelines to become part of the Mercedes-Benz Vans ExpertUpfitter network. These upfitters are committed to the highest engineering standards and levels of customer satisfaction. Working with an ExpertUpfitter gives you the flexibility to be creative and the assurance that Mercedes-Benz Vans is here to support your ideas.

Find your ExpertUpfitter today at www.upfitterportal.com/en-us/upfitters/locator

A turnkey route to productivity.

You’re the expert in your trade, and your van is the tool with which to get the job done. ExpertSOLUTIONS® allows you to quickly configure your van and order directly via your Mercedes-Benz Vans dealer to get you exactly the van you want right when you need it, so you can concentrate on finishing the job.

ExpertSOLUTIONS® providers Auto Truck, Knapheide, and Driverge bring you a portfolio of turnkey solutions for your vocation — anything from Sortimo or Ranger shelving to refrigeration or even transportation of people at a preferred price. These preconfigured solutions from industry-leading manufacturers are customized to fit your Mercedes-Benz Van. The ordering process is streamlined, and installation is simple: all ExpertSOLUTIONS® can be fitted directly as Ship-Thru, ensuring seamless integration, quick delivery, and consistent quality.

For more details and to configure your upfit, visit www.mbvans.com/en/upfitting
Through Mercedes-Benz Financial Services, we offer a variety of financing products and solutions with flexible benefits tailored specifically to meet the needs of your business.18

For more information, visit www.mbvans.com/sprinter/shopping-tools/finance-solutions

Retail Loan

These simple-interest, fixed-payment packages lock in interest rates and can include van and upfit equipment, as well as aftermarket products, in one contract.

FMV Lease

A closed-end lease agreement is also known as a “walkaway lease,” since the lessee can simply turn in the vehicle and walk away at lease maturity after meeting all contractual obligations, subject to certain return conditions and mileage restrictions.

TRAC Lease21

A Terminal Rental Adjustment Clause (TRAC) lease21 doesn’t require any acquisition fee, up-front payment, or excess mileage charges, and lease payments may be expensed against income. Owners are responsible for the residual value of the vehicle.

Taking care of you, so you can take care of business.

VanCARE is a promise to our customers to deliver genuine parts, superior service, and unparalleled commitment to getting you back on the road as quickly as possible. We know that for you it isn’t a van—it’s a tool you need to make a living.

ServiceCARE – Service Solutions Built For You

Whether it’s a maintenance service, unexpected warranty work, or now a wear and tear repair, our ServiceCARE products are customized solutions for you. You can now focus on your business with your vehicles always in top shape, minimizing your downtime and maximizing your financial cost control.

ROADSIDE ASSISTANCE22

All Mercedes-Benz Vans come standard with our 24-hour Roadside Assistance Program22 and expert advice 24/7 through the Mercedes-Benz Customer Assistance Center, providing you with peace of mind and help when you need it most.
