

VanCARE Guaranteed Auto Protection

Protect your investment. Each year millions of vehicles are totaled in events such as collisions, thefts, or natural disasters. In many cases, the insurance settlement does not cover the finance agreement payoff. VanCARE Guaranteed Auto Protection (GAP) is an optional product marketed by Mercedes-Benz Financial Services that you may purchase to help provide financial protection. When you choose VanCARE GAP, the GAP Agreement price can be added to your monthly vehicle payment. We've provided program details on the reverse side.

Gain peace of mind with VanCARE GAP.

If your van is stolen or declared a total loss in an accident, there can be a significant difference between the amount your insurance company will cover and the balance owed to Mercedes-Benz Financial Services. VanCARE Guaranteed Auto Protection helps cover this difference. Plus, your primary insurance deductible may also be covered up to \$1,000 where allowable by state law.

Consider this scenario: You finance \$60,000 to purchase a van for commercial use. Seven months later, you get into an accident that totals your van.

\$55,000	(Finance agreement payoff)
- \$50,000	(Insured amount)
<u>\$5,000</u>	(The gap)
+ \$1,000	(Insurance deductible)
<u>\$6,000</u>	(Potential out-of-pocket expense)
- \$6,000	(Covered by VanCARE GAP)
<u>\$0</u>	(Amount you owe)

In this scenario, the entire difference is covered by VanCARE GAP. There may be portions of the van finance agreement balance for which you remain responsible. See your VanCARE GAP Agreement for details.
